

## **Geneva Golf Club Memberships**

We thank you for expressing an interest in Geneva Golf Club's membership programs. Geneva Golf Club is a public 27-hole championship golf course located in the scenic Alexandria Lakes area and is one of the premiere golfing facilities in the state of Minnesota. We celebrated our 20<sup>th</sup> Anniversary of our Grand Opening in 2020.

With 7 combinations of tees Geneva Golf Club has something for everyone. Experienced golfers can be challenged while recreational/new golfers can comfortably learn the game. If you are looking to meet new people, trying to get involved in a community, or looking for a reason to play more golf, one of our 6 golf leagues is sure to fit your needs and your game.

The Scott Dirck Golf Academy is a unique experience in itself. One of the few golf academies in the state of Minnesota, it is outfitted with the latest technology and equipment. Indoor/outdoor hitting bays, trackman units, simulator bays and an indoor putting green are just a couple of the amenities offered.

To compliment the golf experience, the Geneva Grill offers a casual, full-service restaurant. The Geneva Grill is open 7 days a week, with hours depending on the season.

In the following pages, we have outlined the membership options at Geneva Golf Club. If you would like to speak to someone on our highly trained staff, please do not hesitate to send us an email or give us a call. Thank you and please enjoy our facility!

# Code of Conduct & Golf Cart Use Policy

- All players must check in to the golf shop before they play. We want to know if you are here in case of emergencies, etc.
- The rotation given must be followed at all times. This is to ensure all members & guests have a great experience while playing at Geneva.
- Dogs are strictly forbidden on the golf course and from riding in golf carts. Please utilize other areas nearby to exercise and spend time with your companion.
- Bringing alcohol to our facility is strictly prohibited and against the law. We do understand that we may not always have a selection that you desire, please let us know and we will do our best to stock items that suit your needs.
- Golf carts are a large contributor to turf wear and tear. The maximum number of golf carts allowed per group is as follows: 2 carts for a foursome, 2 carts for a threesome, 1 cart for a twosome. (additional golf carts may be purchased in the golf shop.)
- Golf carts MUST remain on paths around greens, if no cart path exists, carts must be kept a minimum of 30 feet (10 big steps!) from all greens.
- Golf carts are not allowed on or near tee boxes.
- Avoid all standing water in the fairway and rough when conditions are wet (early morning or following rain).
- Damage to a golf cart is the responsibility of the driver of the golf cart. This is no different than renting a car from an agency, if you damage it, you will be responsible for the cost to repair.
- Handicap flags do not give you the right to ignore other golf cart rules. Handicap flags are an accommodation that we are happy to provide. A handicap flag does not give you unlimited rights with your golf cart. With a handicap flag, golf carts are permitted to be within 10 feet of the green.
- Violations of the golf cart use agreement may result in the loss of playing privileges.
- All drivers MUST be 16 years of age to operate our golf carts or a personal golf cart.
- Geneva Golf Club is a family friendly environment and we do not allow offensive language, gestures or behavior. Please be respectful of others and use good judgement in all public areas.
- While we do not encourage music, we do ask that if you choose to listen to music that the volume be kept at a very low level and should only be heard while in your own golf cart. At no time will we allow music to be played around the clubhouse or on the patio.
- If you have a serious concern or conflict with any staff member at Geneva Golf Club, please direct your concerns to the General Manager.
- Cancellations of tee times must be made within 24 hours in advance of your existing tee time to avoid cancellation fees of 50% of the applicable greens fee.
- Cancellations of tee times or short shows must be made over the phone with the golf shop during golf shop hours. You may not cancel a tee time through voicemail or email.
- The above list is not meant to be all encompassing. We reserve the right to deny you any services or tee times should your conduct towards other guests, other members or staff become improper, distasteful or dangerous.
