**SHOTGUN**

## **MEMBER / MEMBER FORMAT**

### **SCRAMBLE**

### **Ponds Holes 7-9 | Marsh Holes 1-3**

Both players tee off and the best shot is selected. Once that shot is selected, each player will play a shot from this spot (staying in the same cut of grass) and select the best shot again. This process is continued until the ball is holed.

### **BEST BALL**

### **Ponds Holes 1-6**

Each player will play their own ball, using their allotted handicap. The best score of the team will be counted on each hole for the team score.

### **ALTERNATE SHOT**

### **Marsh Holes 4-9**

Each team can decide which player will tee off on the odd holes and which player will tee off on the even holes. Once the player has hit the tee shot alternate shots until the ball is holed (a penalty shot does not skip a player's turn).

### **FINAL SHOOTOUT!**

### **2 - 2 - 2 Format**

The shootout will use a 2 Alternate Shot - 2 Scramble - 2 Best Ball Format.  
The last team remaining after the 6 hole shootout will be crowned our  
Member/Member Champions!

If there are any ties on holes 1-5 in the shootout, a blind chip off will determine which team continues.  
If there is a tie on the last hole of the shootout the remaining two teams will go back out on the course  
for a play sudden death playoff until a winner is crowned!
